What Users Are Saying

"Our customers pay even sooner online than they do by mail, and love the convenience."

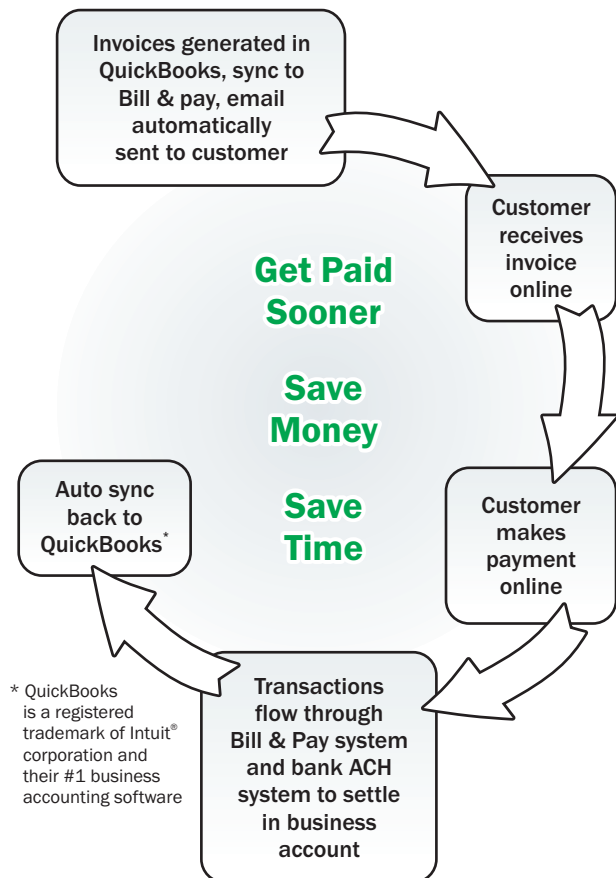

"Customers pay direct from their bank accounts, online, and it eliminates credit card fees."

"Using Bill & Pay will save us over \$12,000 this year in the cost of creating and sending paper invoices."

Fully Integrated with QuickBooks

Bill & Pay automatically sends invoices and updates payments within QuickBooks. No file upload required! Customers pay from their checking account saving you the high cost of credit card fees. Accepting credit cards is also an option.

If you do not use QuickBooks, you can manually create invoices using our Bill & Pay Easy Invoice version.
